

Fusion X: The Innovation Merge Challenge

“Where Innovation Meets Integration”

(Fusion X is an innovation-driven challenge where participants analyze existing startups and creatively merge their ideas to develop a **new, impactful, and implementable solution** for real-world problems.)

Team Formation

- Each team must consist of **4 members only**
- Cross-department teams are allowed
- All members must belong to the same institution

Event Format

1. Startup Selection

- Each team must select **3 real-world startups**
- Startups should be relevant and innovative

2. Idea Fusion (Pre-Event Task)

- Teams must:
 - Analyze all 3 startups
 - Identify their key features and strengths
 - **Combine the ideas into one unique concept**

3. Solution Development

- The final idea must:
 - Address a **real-world problem**
 - Be **innovative and feasible**
 - Demonstrate practical implementation

4. Digital Poster Preparation

- Teams must prepare a **printed digital poster/banner** including:

- Details of selected startups
- Merged solution explanation
- Workflow or architecture
- Expected outcomes and impact
- Size 3*4 feet

5. Presentation Round

- Teams will present their solution to the jury
- Each team must clearly explain:
 - Why the startups were selected
 - How the ideas are merged
 - Final solution and its benefits

6. Jury Interaction Round

- Jury members will evaluate by asking questions on:
 - Feasibility
 - Innovation
 - Real-world application

7. Final Evaluation

- Posters and presentations will be evaluated based on set criteria

Poster Creation Rules

- Poster must be **digital and printed**
- Content must be:
 - Clear and well-structured
 - Visually appealing
- Must include:

Maharaja Education Trust ®, Mysore
Maharaja Institute of Technology Thandavapura

(Approved by All India Council for Technical Education, New Delhi)
(Affiliated to Visvesvaraya Technological University, Belagavi)
(Recognized by Government of Karnataka)

- Startup names and details
- Merged idea explanation
- Posters must be **original work**

Research Guidelines

- Participants may use:
 - Internet resources
 - Mobile phones and laptops
- Content must be:
 - Authentic and relevant
 - Not directly copied

Evaluation Criteria

Participants will be judged based on:

- **Creativity & Innovation in Idea Fusion**
- **Relevance of Startup Selection**
- **Clarity of Integration Process**
- **Problem-Solution Effectiveness**
- **Feasibility & Implementation Strategy**
- **Scalability & Social/Industrial Impact**
- **Presentation & Communication Skills**
- **Poster Design & Visual Representation**
- **Confidence in Answering Jury Questions**

Rules & Regulations

- Team size must be strictly **4 members**
- Participants must bring **printed digital posters**
- All 3 startups must be clearly referenced
- The idea must be **original and innovative**
- Teams must adhere to the **time limit for presentation**
- Participants must be present during evaluation
